Hi all,

Where has the summer gone, and the weather well, has been up and down is the only way to describe it! We have been busy looking after Mia once a week which we love but she sure has plenty of energy, phew!! We had forgotten how quick little ones are, it is a long time since our boys were babies and we are both OAP's now. My other half retired in July and now is a great help when I look after Mia. We can share the fun and the running around with her but not the dirty nappies that's still my job!! I am having to adjust to someone being home with me every day! I see a part-time job on the horizon in a few months but not until all those jobs I have been saving up have been completed! The annual picnic started off pretty well but unfortunately the British weather did beat us in the end, you can read the article below. **I know it seems like a long time off but don't forget our Byewaters Carol Singing for Peace Hospice Care this year, hopefully with the St. Oswald's choir again. The date will be announced in the December newsletter. Please, please join us - you can just rattle the tin - you don't need to sing as the choir do such a fantastic job, but if you want to, you can join in and have a warble too. It's good fun and for such a good cause. Have a great autumn and I will be back with our Christmas edition in December.** Fran - Editor

BYEWATERS 8th ANNUAL PICNIC

Saturday was a beautifully sunny day - Sunday arrived, it was grey and rained in the morning! Made my sandwiches and walked down to our picnic area. Lester drove down with the gazebo, chairs and food. I felt a few spots of rain - oh no!! We carried on regardless and put up the gazebo and chairs, then laid out our blanket and picnic fayre. Others started arriving, our son and daughter in law, followed by byewaters neighbours. Soon there were quite a few of us and the sun came out followed by blue skies. We sat chatting, eating and just generally enjoying our lovely surroundings and good company. But it was not too long and the grey skies started to return. Then we felt a few spots of rain and the wind got a bit stronger. We decided after having spent a very enjoyable couple of hours it was time to dismantle the gazebo, pack away the chairs and food. We said our goodbyes and headed home (not far to go). As we arrived home the heavens opened up and for the next hour or so there was torrential rain, we certainly left at the right time. Our picnic in 2012 had also started well but in the end was rained off as well. I suppose we have been fairly lucky, so far we have not had to abandon the picnic completely and we always hope by having it in July that we stand quite a good chance of a sunny day! Let us hope that next year the weather in July will be more settled and our 9th picnic will be bathed in sunshine and Byewaters folk.

Hundreds of fundraisers took to the streets of Watford on Saturday, 11th July for the Peace Hospice Care Starlight Walk. There were nearly 600 walkers, a fantastic Starlight atmosphere was created as the walkers went through the town centre. Live music was on hand by Telstar and Shades of Midnight, also DJ Joseph Suddick and singer Andre McKie. Organisers think that the final amount raised for 2015 is likely to exceed £60,000. Several walkers wore names on their t-shirt of who they were remembering on the Starlight Walk, the majority of those there were walking for someone dear to them. Celebrity Jason Donavon and classical singer Russell Watson also passed on their personalised messages of support, heard as the walkers gathered at West Herts College. The organisers sent messages of thanks to all those who took part and the many helpers who kept the walkers on the right route and were there with food and water to keep everyone's strength up. Helpers and walkers give their time freely because they want to give something back, remembering the wonderful work Peace Hospice Care carries out every day. Peace Hospice Care needs to raise £4.2 million of charitable income each year to continue their services supporting patients and families in South West Herts who are facing life limiting illnesses.

A Note from the Directors BEMC (Byewaters Estate Management Company)

I hope you have had a good summer - and had time to enjoy the green and peaceful environment that surrounds the estate. The summer picnic organised by Fran provided an opportunity for some of us to meet and use the children's play area near Mill Lane.

More recently, the directors and other residents have been meeting with local councillors and Barratt to improve the condition of the roads and pavements on the estate - with the intention of also progressing the adoption of the roads by the council. We are grateful for the interest and support we have received from councillors Phil Brading and Rupert Barnes. As we reported in the last newsletter the need to keep the estate clear of litter and weeds was discussed at the last AGM. By the time you read this, Barratt should have swept the roads, repainted road markings and trimmed back bushes which are obstructing pavements. These actions will both improve the appearance of the estate and, more importantly, improve the safety of those walking, cycling and driving around the estate. Please do your bit and ensure that your hedges and bushes are not blocking pavements - or are too tall so that they make it difficult for drivers to see pedestrians or other vehicles. You might want to help your neighbours trim their hedges too. If you have any questions or issues regarding estate matters please contact MCS customer services email info@mcsproperty.com, phone 01920 466500. You can also contact us directly at directors@byewaters.co.uk. Other information is available on the www.byewaters.co.uk website. David - Byewaters

The Three Rivers Museum - Basing House is located beside Rickmansworth Library and Watersmeet Theatre. It is open from 2pm to 4pm Monday to Friday, and 10am to 4pm on Saturdays, staffed entirely by volunteers. Admission to the museum is FREE. Talks are offered to the community on a variety of subjects. Publications on local history can be purchased from the museum. For information about the museum please contact. www.trmt.org.uk 01923 772325 e-mail: info@trmt.org.uk

You've seen the film and read about Alan Turing now go and see where it all took place. We went last summer to Bletchley Park, the weather was very good and so it made it an even nicer visit. You have to go from building to building or should I say from one pre-fabricated wooden hut to another, if the weather is reasonable it is better. It was very interesting and with our entrance ticket we are allowed to return again. We hope to go back this year as we did not get to see everything and now we have seen the film "The Imitation Game" it will be interesting to return and reacquaint ourselves with the fantastic work they did to help end the war. In August 1938 members of MI6, and the Government Code and Cypher School (GC&CS), a secret

BLETCHLEY PARK

team of individuals including a number of scholars turned Codebreakers arrived at Bletchley Park. Their job; to see whether Bletchley Park would work as a wartime location, well away from London, for intelligence activity by GC&CS as well as elements of MI6. The GC&CS mission was to crack the Nazi codes and ciphers. The most famous of the cipher systems to be broken at Bletchley Park was the Enigma. There were also a large number of lower-level German systems to break as well as those of Hitler's

allies. At the start of the war in September 1939 the codebreakers returned to Bletchley Park to begin their war-winning work in earnest the rest as they say 'is history'.

JOHN DICKINSON'S OTHER FLEET

Progress gradually overtook the leisurely pace of canal transport. In 1937, articulated lorries took over the Apsley to London run to collect esparto grass and wood-pulp from the docks, and the inter-mill barge service ceased in 1947. Coal deliveries by canal continued until 1970, when Croxley Mill switched to oil firing. They might not be work horses anymore but as leisure crafts the barges are in use once again on the canals.

Well what a summer it's been. We have another new manager, Quique Sanchez Flores and now eleven new players join the squad to assist Watford FC establish themselves with the likes of Arsenal, Chelsea and Man Utd in the top flight of football, the division envied all around the world. Ok, yes alright, help them stay up this season. The pundits are already putting the club down but that will be at their peril. From the last game in May, children and adults were counting their sleeps until The Hornets first game back in the Premiership which happened to be Everton away. Up to Goodison Park with 2800 Hornets singing and bouncing for the full 90 minutes. Watford took the lead through the Mexican magic of Layun. Everton equalised halfway through the second half, 1-1. A quick substitution and Igahlo on the 83rd minute slams one in to the bottom corner after giving two

Our closeness to Croxley Common Moor is one of the biggest benefits of living on the Byewaters estate. There's an event there for you during the coming months, whether you prefer a gentle stroll or getting stuck in to work.

For all the events listed below, meet at 10 am by the kissing gate entrance at the bottom of Mill Lane.

Sunday 20th September Guided walk - looking at the effect of recent conservation work.

Sunday 4th October trees and bushes in autumn.

defenders the slip. 2-1 up but this was short lived as 3 minutes later Everton scored the equaliser and the first outing of the season in the Premiership ends 2-2. Good earned point away from home is not a bad start for the 'Orns. Next game was at home against West Brom - the Baggies. This was a closely fought contest with Watford having most of the game but up against a very defensive Pulis side. Despite a few shots on goal by both sides, there were very few actual chances and the game finished 0-0. Got to get used to the new rules though as in the Premiership it appears stripy shirted players can add another 20 yards to where a free kick occurs. Why Baggies? Probably because of the kit they wear as they tripped over their shorts a few times for the free kicks. Apologies, bit of bias getting in there, must stay professional. At least two games in, the 'Orns still have not lost and are mid-table. Maybe they are saving their first win against the Saints? That we will have to wait and see.

RICKMANSWORTH FESTIVAL 2015

Thousands attended the Rickmansworth Festival, over the weekend of Saturday, 16th and Sunday, 17th May, which is the finale of 'Ricky Week'. It is believed that 25,000 to 30,000 people attended. Dozens of live performances from bands, choirs and school groups took place. There is always a wonderful array of canal boats and this year they were there in all their glory. There were 120 traders and so plenty for all tastes. The weather was really good, which is always a big help in bringing out the crowds. There was a Spitfire fly-over and a huge conga with all the children joining in. The Rickmansworth Waterways Trust relies on donations at the entry gates to the festival this helps them to keep putting the event on each year. They are looking for more volunteers to help them, if you are interested please contact them, David Montague at enquiries@rwt.org.uk

THE REVELS 2015

"One of the best ever" Croxley Revels took place on Saturday 20 June the rain did not stop everyone having a great time. A Pushball Tournament, procession featuring floats entered by churches and schools. Around 90 stalls all formed part of the famous Annual Croxley Revels. The car parks were full and they believe it was the busiest they had ever seen them. The procession moved through the local streets just after 1 pm. The weather closed in about 4.15 pm but nobody noticed they were enjoying themselves too much. The spirit of Revels lived on. The highlight of the tug-of-war competition was the final between the Croxley Revels Committee and the police. Revels were triumphant and managed to win the tournament. The mobile farm, children's funfair, a Harry Potter bouncy castle, Punch and Judy, bungee footballs and rodeo bulls made it great fun for the kids. Harvey Road School won the Pushball competition, taking the Revels Challenge cup. Yorke Mead School won the Little Waterdell cup for the best float. Harvey

Road School also won the Jackadon Trophy for their walking float. St Bedes Church won the Whitfield Bowl for the best walking entry in the procession. Croxley House had the best commercial vehicle, St Oswalds Church had the best vehicle. Flowers for Croxley picked up the Hazel Rogers cup for the best stall and West Herts Beekeepers won the Coach and Horses Cup for the most original stall. A great time was had by all and everyone is looking forward to the next Revels 2016.

••• P.S. Don't forget CROXFEST Saturday 5th September 12 noon - 8.0 pm a yearly music festival held on Croxley Green. It is free for all to attend - enjoy a varied line-up of acts in a family-friendly atmosphere •••

NEWS FROM ST. OSWALD'S

400 Fish Fingers at Rocky's Plaice! At the start of August around 80 children enjoyed a great week of games, craft, stories and celebration at our annual holiday club. The theme was based on episodes in the life of St. Peter, the fisherman, hence the fish fingers (with chips of course) at the end of the week. Our 10am Family Service on 6th September will include a roundup of the week's events.

Beetle Drive. Yes, you read that correctly. A good old fashioned beetle drive will be held on Saturday 19th September 5.30-8pm at St Oswald's Hall. Children and adults were surprised how much fun they had the last time we organised such an event. Tickets at £5 per person, including drinks and sausage in a bun, can be purchased from Val Edwards on 01923 896632.

Harvest Celebration. Our Harvest Festival will be on Sunday 4th October. This year we are appealing for gifts of produce (rice, pasta sauce, tinned food, liquid detergent, nappies, toiletries) for Watford and Three Rivers Refugee Partnership and donations of money for a project reaching out to vulnerable women in Delhi. After our regular 8am reflective Communion Service, there will be a Harvest Breakfast from 9.30am in the Hall, followed by Family Service at 10.30am at which the preacher will be Revd. Singa Vunipola (a name made familiar to rugby fans by her two sons). The day will be rounded off with a service of Harvest Songs of Praise at 6.30pm.

Anyone is welcome at any of these Harvest events. Just turn up!

DOG FOULING – NOT ON BYEWATERS !

Things have improved a little over the years but there are still a few owners who feel they don't need to pick up when their pet fouls. We have run various articles in this section alerting people to the dangers of leaving dog faeces for children (and others) to fall in and cause permanent damage to eyes etc. Please, please pick up don't let your pet be the cause of a child losing their eye sight. Biodegradable bags are FREE from the Parish Council Offices and the Library. Always think of others and use the FREEbags and pick up after your pet and then BIN it!!

Lottery Scam in Hertfordshire

Hertfordshire Trading Standards are receiving reports from local residents of letters arriving out of the blue stating that they have won £725,000 in the 'EuroMillions FIFA World Cup Super-Lottery'. These letters, apparently sent from 39 St James Street London and from an address in Zurich, Switzerland, go on to say that to claim the cash prize, the recipient must telephone the number on the letter. On doing that they are told that they must pay a 1% processing fee by bank transfer. **These letters are a scam. You cannot win a prize in a lottery that you have not entered and genuine lottery operators will not ask you to send them money before releasing winnings.** A Buntingford couple have lost over £9000 to this scam. They paid £7250 initially as a processing fee and then a further £2000 for a solicitor to transfer the winnings. Other people from around the country have lost over £40,000 as a result of this scam. The EuroMillions official website gives some good advice on how to spot a EuroMillions scam. The same general rules will apply to other lottery scams. Please be aware that there are lots of postal scam letters being sent nationwide at the moment which falsely use names of legitimate lotteries such as the People's Postcode Lottery and the European Postcode Lottery. These letters are all scams please do not respond. **Please send in the letter and the envelope** to The Scams Team, Hertfordshire Trading Standards, Mundells, Welwyn Garden City, Hertfordshire AL7 1FT, so that the scam may be investigated. If you have responded to this scam or if scam mail is causing you or someone you know distress, **report it to Hertfordshire Trading Standards** via the Citizens Advice Consumer Service on 03454 040506 or **Derrick Sweeney, Watch Liaison Officer, Neighbourhood Watch.** Email: derrick.sweeney@herts.pnn.police.uk Tel: 01707 355841.

Contact Advice: Telephone 999 in an emergency where there is a danger to life or a crime is in progress. Telephone 101 for non-emergencies where police attendance is required, to report a crime or to report any other incidents. Calls to 101 have a fixed cost of 15p per call.

Our growing Trades List

Our trades list now takes up four pages. Please take a look on the web page at the end of the newsletter on www.byewatersnews.co.uk It was suggested that details of tradesmen that have been used by homeowners by Byewaters be listed. If you would like to submit the details of someone that you have used and would like to recommend, please send me their details. It may help others when trying to find the right tradesman.

POETS CORNER

AUTUMN FIRES BY Robert Louis Stevenson

In the other gardens
And all up the vale,
From the autumn bonfires
See the smoke trail!
Pleasant summer over
And all the summer flowers,
The red fire blazes,
The grey smoke towers.
Sing a song of seasons!
Something bright in all!
Flowers in the summer,
Fires in the fall!

Don't be the cause of an accident – 20mph or less !!

Unfortunately, on Tuesday, 11th August an accident occurred as you enter Byewaters by the weir. I do not know all the ins and outs but it looked pretty serious with a fire engine, ambulance and police attending. It everyone was going slowly and parking sensibly this would be unlikely to happen again. We also have lots of residents, friends and families walking around Byewaters enjoying our lovely surroundings. Please, please can you keep your speeds down 20mph or less would be best. There are lots of blind spots mainly caused by parked cars, some of which are parked on the pavement. Parking two wheels on the pavement is having to be accepted but not all four wheels. This also can cause an accident as pedestrians will have to walk in the road, especially if they are pushing a buggy or wheelchair. Please think of others and try not to park on pavements or on blind spots. (Parking large vehicles on or close to corners is not advisable and can also be the cause of an accident.) If your car damages a pavement you will have to be charged for the repair. Please always think of others when driving and parking around Byewaters, we do not want another accident.

Still collecting email addresses, which are always very helpful when information needs to be sent out quickly to Byewaters residents. If there is anything that you wish to raise please contact me at fran.koster1@gmail.com
