DECEMBER 2016

Grand Union Canal – Now you see it .....Now you don't !!

PLEASE SEND ARTICLES, ADVERTISING, PHOTOGRAPHS ETC. FOR THE MARCH 2017 NEWSLETTER to Fran, 78 Byewaters or email [fran.koster1@gmail.com](mailto:fran.koster1@gmail.com)

Hi all,  
 DECEMBER .....It can't be!! Where have all the other months gone in 2016? We have had quite a good autumn, watching the leaves change colour over Byewaters is always enjoyable. We went to Glyndebourne again this year, and really enjoyed it. This time we saw Don Giovanni a Mozart opera, well worth seeing. We are getting very cultured in our old age, having never been to an opera before last year. Now we have the bug, would definitely recommend it. We were extremely lucky with the weather and spent four sunny days in Eastbourne at the same time as visiting Glyndebourne. In September we spent a day in Southend the sun shone for us all day and that evening we were lucky enough to see the Kinks musical 'Sunny Afternoon' at the Southend Pavilion, recapturing our youth, after a very sunny day! Our two little ones are growing fast, Sammy is 10 months old in December, and he is crawling and pulling himself up on everything. Won't be long before he is walking, at the moment he is teething and dribbling everywhere - a future Watford player!! Mia is about to turn 2 years 8 months and has a very wide vocabulary but she only has to flutter her eyelashes and say P L E A S E Grandma and there is no way I can say no! Christmas is going to be very exciting for her as she really understands this year about presents and Father Christmas, so we are going to have a great time. Let us hope this coming year is going to be good for us all, a healthy and peaceful 2017 all over the world. We are carol singing for Peace Hospice Care again this year and it would be great if everyone from Byewaters would join us at Morrisons the details are below. Please keep supporting the 'litter pick' all year round, take home and bin anything and everything you can to keep Byewaters looking good. Wishing you all a really great Christmas, Chanukah, New Year etc. see you all in March.

**CAROL SINGING FOR PEACE HOSPICE CARE – WEDNESDAY 7 DECEMBER AT 7pm IN MORRISONS**

Can you join us on Wednesday, 7th December at 7pm for just one hour to sing for Peace Hospice Care? We are led by the St. Oswald's choir who are really great and have helped us for a number of years to raise money at Christmas for the hospice. A good time is had by all and the money that we collect goes a little way to help the hospice keep going as they

depend on donations. Last year we even had a few shoppers who sat listening to us and enjoyed an early carol concert while out at their local supermarket. Join us, please, and help us collect for this really worthwhile cause. If you can't make it you can still donate, I will keep rattling the hospice tin for a few days after the carol singing event.

**A Note from the Directors BEMC (Byewaters Estate Management Company)**

Our program of work to trim back the trees and bushes on the estate has now commenced with the trees on the island near the Blackmore Lane entrance as the first phase. Other phases will address a wider range of trees across the estate and bushes which have spread too widely or have grown too tall. The cost of this work is being met by the service charge reserve fund - and so the service charge demands recently sent out to home owners by MCS have remained at the same level as last year. Barratt have also returned to clear the leaves and weeds from the road gutters. Please do your bit to keep the estate tidy by picking up litter where you see it and keeping your gardens and trees in good order too. We thank those of you who already do this. If you have any questions or issues regarding estate matters - or comments about the program of tree and bushes maintenance - please contact MCS customer services email [info@mcsproperty.com](mailto:info@mcsproperty.com), phone 01920 466500. You can also contact us directly at [directors@byewaters.co.uk](mailto:directors@byewaters.co.uk). Other information is available on the [www.byewaters.co.uk](http://www.byewaters.co.uk) website. All the directors of BEMC are volunteers who live on the estate. We wish you, your families and all our neighbours a Happy Christmas and a safe New Year..

### WATERSMEET'S 2016 PANTOMIME FROM 8TH - 31ST DECEMBER

Christmas letter to Santa from a child – out of the mouth of babes – we could all learn something!

And we are off properly now taking on all comers, so if you think you're good enough give Watford a game. First in the ring are Chelsea at the Vic and yes we've got Capoue, who scores first!

Unfortunately Chelsea level on 80 minutes and then Costa sticks the Blues winner in. Arsenal next to fancy their chances. Watford have a poor 15 minutes and go 3 down. However, the second half the 'Orns pulled one back. But again, the ref' was no "Friend" of Watfords. Off to the new stadium for West Ham. Kick off approaching and the teams enter the arena, 20 minutes later they reach the pitch. The scoring was toing and froing and Watford won 4-2. The Red Devil's come to Watford with the Special One. A lesson in football given and the Golden Boys trounce Man U 3-1. Still on the bright side, the Man U supporters only had about 30 minutes journey home! Off to Burnley and up against Sean Dyche's team who played well, did their homework and brought the 'Orns back down to earth by beating them 2-0. Bournemouth visit next at the Vic which ends in a 2-2 draw. Off to 'Boro next and Jose Holebas scores a stunner to win the game 1-0. The 'Orns are quietly climbing the table...shhhh.

Next up, where the 'Orns could not swan about for this game, Watford went to Swansea where they drew 0-0. Then from drawing Swans we fought Tigers when Hull came to visit. (I did warn you months back, the reporting can only get better.) No shots on target for Watford, and so Hull feeling sorry for us, set about showing how to score in their own goal. Thanks for that and we'll have the three points as well. Off to Merseyside and the famous Liverbirds looked on and no doubt had a big smile on their faces when the score ended 6-1 to the Reds. Well, we did beat them convincingly last season. 8th in the table and I don't think anyone has noticed..... And for eagled eyed readers, who haven't drifted off to sleep yet, yes I left the Gillingham cup game out, alright?

Happy Christmas everyone

Ralph - Evensyde

## CROXFEST SIXTH YEAR AND IT'S A SMASH HIT !

This year's festival was a fantastic event for all the family and the rain did not dampen everyone's enthusiasm. Roughly 5,000 attended, the bands get better every year and everybody had a wonderful time, none of which could be achieved without the fantastic volunteers. Croxfest facebook page was full of congratulations for the organisation team and bands who provided top class entertainment. The opening band was Wild Minds followed by Strange Folk, The Imaginary Hat, Brocker, Ska Faces, Soul Encement Bureau, Our Friends Electric and the headline act DeLorean. From the facebook page and general feedback people can't wait until next year the 7th Croxfest, can they top this year's watch out for information roll on next September.

## \*\*\*\*\* SWAN ALERT \*\*\*\*\*

I have been informed that our Swans, cygnets, wildlife and even fish are being killed!!! Two young cygnets disappeared and there have been reports of other birds being slaughtered. If you have information regarding this please contact Rickmansworth Police Station's Steven Jacobs who is dealing with these cases. We must protect our wildlife, please keep watch for anything suspicious and let the Police know.

## Twas The Month After Christmas

Twas the month after Christmas and all through the house nothing would fit me, not even a blouse.

The cookies I'd nibbled, the eggnog I'd taste. All the holiday parties had gone to my waist.

When I got on the scales there arose such a number!

When I walked to the store (less a walk than a lumber).

I'd remember the marvellous meals I'd prepared; the gravies and sauces and beef nicely rared.

The wine and the rum balls, the bread and the cheese and the way I'd never said, "No thank you, please."

As I dressed myself in my husband's old shirt and prepared once again to do battle with dirt -  
- I said to myself, as I only can

"You can't spend a winter disguised as a man!" So--away with the last of the sour cream dip, get rid of the fruitcake, every cracker and chip. Every last bit of food that I like must be banished till all the additional ounces have vanished. I won't have a cookie--not even a lick. I'll want only to chew on a long celery stick. I won't have hot biscuits, or corn bread, or pie. I'll munch on a carrot and quietly cry. I'm hungry, I'm lonesome, and life is a bore -- but isn't that what January is for? Unable to giggle, no longer a riot. Happy New Year to all and to all a good diet!

## NEWS ON ASCOT ROAD DEVELOPMENT OLD ROYAL MAIL SITE

A Byewaters resident has brought to my attention a further proposal for the Ascot Road Development which is going through consultation before it is passed by Watford Council. Byewaters has not been included so far in consultation meetings (one was held recently). At the moment it appears a tower (23+ storeys?) block of flats etc. could be part of the proposal. If you want to learn more of this please look at these websites

<http://www.starc-architects.com/ascot-road-watford/> and [https://watford.jdi-consult.net/documents/pdfs\\_21/160817\\_croxley\\_view\\_low.pdf](https://watford.jdi-consult.net/documents/pdfs_21/160817_croxley_view_low.pdf)

of course you can also try and find out more information on the Watford borough website <https://www.watford.gov.uk/>

## CHRISTMAS TREE ... OH! CHRISTMAS TREE

A novel idea for those who forgot to buy a tree this year!

Maxi looking 'dog'tired!

## A BIG THANK YOU

When Maxi my 8 month old Cockapoo ran off, neighbours from Gill Close helped look for her and even posted a 'lost notice' for me. The good news is Maxi eventually found her way home looking very bedraggled but home safe and sound. A big thank you to my Byewaters neighbours for all their help.

Help to recognise and tackle fraud (sometimes known as "scams"), Hertfordshire Constabulary's Crime Reduction and Community Safety Department produces a regular update informing you of common and emerging frauds that have affected local residents, together with tips to help you stay safe. These contain information about various scams; bogus calls about council tax arrears; advice about selling items online; alert about mobile phone upgrades, never let anyone use your bank account to store or move money - money laundering is a crime. **Don't be the cause of an accident. 20mph or less !!**

Do not be the cause of an accident. Drive slowly around the estate and park sensibly so that visibility is not obscured for either pedestrians or other vehicles. Please, please can you keep your speeds down 20mph or less is best. Please think of others and try not to park on pavements or on blind spots.

(Parking large vehicles on or close to corners is not advisable.) If your vehicle damages a pavement you will have to be charged for the repair. Please always think of others when driving and parking around Byewaters.

**CORN STARCH BAGS** are available for your silver food scraps bucket, they are an alternative to using old newspapers. They can be bought from Parish Council Offices and other places including the hardware store at the beginning of Baldwins Lane (near the Harvester). **FOULING – DO NOT FOUL ON BYEWATERS**

A council in the West Midlands is launching a scheme for responsible dog owners/the public to tip off the council/ wardens when they see other dog owners allowing their dogs to foul and not pick up after them. The fine of around £75 will then be handed to the person who reported the irresponsible owner. Seems like a good idea, on the spot fines and less children able to get Toxocariasis from dog faeces. Hopefully this will be taken up by other Councils. Please, please pick up don't let your pet be the cause of a child losing their eye sight. Biodegradable bags are FREE from the Parish Council Offices and some libraries. Always think of others and use bags to pick up after your pet and then BIN it!

**Trades List and Useful Local Services**

[www.byewatersnews.co.uk](http://www.byewatersnews.co.uk) Our trades list plus local information has grown and so far takes up four pages. Please look on the web page, click on a newsletter and then scroll down to get to the extra pages. It was suggested that details of tradesmen that have been used by homeowners on Byewaters be listed. If you would like to submit the details of someone or a local service you found useful you can send me the information. It may help others when trying to find the right tradesman or local amenity.
