JUNE 2018

Grand Union Canal v River Gade

PLEASE SEND ARTICLES, ADVERTISING, PHOTOGRAPHS ETC. FOR THE SEPTEMBER 2018 NEWSLETTER to Fran, 78 Byewaters or email fran.koster1@gmail.com

HI ALL !!

It has been quite a couple of months, we have become grandparents again. Little Joseph was born on 28th March and weighed in at 7lb 4oz. He is lovely and both Mum and baby are doing well even though there are a lot of sleepless nights. We now have three gorgeous grandchildren Mia (4), Sammy (2) and Joseph, we feel very lucky.

We are still celebrating 10 years of the Byewaters Estate Residents Newsletter and as you will see below our Picnic turns 10 this year as well, please come

along, everyone is welcome, see below. Our AGM took place on 11th April and various topics were discussed a copy of the minutes will be posted to all home owners in due course. You will also see below that our annual litter pick was on 17th March and the small team of Byewaters Residents did a grand job in clearing rubbish. It would be a big help if litter was always discarded at home. The 10th Carol Singing event for Peace Hospice Care is scheduled for 12th December a date for your diary, a very worthwhile cause. Please support our newsletter and our events, the newsletter was a new idea 10 years ago, everyone seems to enjoy it and of course it keeps you all informed on all things Byewaters. Let us hope we can keep our newsletter going with your help and our great sponsor, designer, photographer, printer and contributors.. Fran – Editor

Your Newsletter has Extra pages of trades & services on www.byewatersnews.co.uk or air your views on www.byewaters.blogspot.com or Byewaters original website on www.byewaters.co.uk. If you need to contact the directors, email directors@byewaters.co.uk

Thanks go to:- Mike Weintraub (Page design), Les Koster (Cover photos), Byewaters Residents for their contributions, David Whittaker (web version), IndyPrint Ltd (Printing), Newsletter delivery helper Lester and of course James Estate Agents (Sponsorship).

BYEWATERS 10th ANNUAL PICNIC – Saturday 7 July 2pm

This will be Byewaters 10th Picnic and will take place on a Saturday for the first time. We hope the sun is going to shine as we all enjoy our wonderful surroundings. We meet by the Children's play area which is near lock 79, Croxley Common Moor and the bungalow flats. Just pop along with friends and family and meet your neighbours. Bring a picnic if you want or just come and 'chillax'! We have a gazebo for when you want a little shade. You can sit and watch the boats go by and the cows grazing on the moor. How lucky are we on Byewaters to just walk a few yards and it feels like we are in the country. Please try and join us everyone is welcome and celebrate 10 years of picnicking on the picturesque spot we all call home.

After the success of the first NightLight Walk the Peace hospice is organising a second magical 5k lantern walk on Saturday, 7th July so join the second magical 5k lantern walk this summer. Everyone who takes part will be given a NightLight lantern which can be dedicated to a loved one and carried with you along the route to help light the way. At the end of the route as night falls, you'll be able to place your lantern into a display, creating a stunning light sculpture that will shine as a symbol of support for local families who need our care. The walk is suitable for all ages and will have many surprises along the route to keep everybody entertained. Whether you're walking in memory of a loved one, to have fun with friends and family, or just to be part of a truly magic evening, everyone is invited to join in and support their local charity, Peace Hospice Care. There will be food & drink stalls, rides and entertainment in the events village from 5:30pm, with the event beginning at 8pm. For more information: <https://www.peacehospicecare.org.uk/viewevent>

BYEWATERS SPRING CLEAN

Litter Pick and The Stalwart Six !

Saturday, 17th March at 10 am the snow was falling but Six Stalwart Byewaters residents braved the snow to clear the estate of litter: Peter, Tony, Teresa, Jay, Bhavin and Graham. They fanned out across the estate with "helping hands" and bin liners. After one hour's work in the cold and wet, the estate looked a lot tidier. This was the fourth year of our Spring Clean but the first time the weather had been so awful. After all their hard work please help by keeping Byewaters free of mess and pick up any odd bits of litter you see.

Photo: Three of the Six !

We send a huge THANK YOU to The Stalwart Six.

THE THREE RIVERS MUSEUM – BASING HOUSE is located beside Rickmansworth Library and Watersmeet Theatre. It is open from 2pm to 4pm Monday to Friday, and 10am to 4pm on Saturdays, staffed entirely by volunteers. Admission to the museum is FREE. Talks are offered to the community on a variety of subjects. Publications on local history can be purchased from the museum. For information about the museum please contact. www.trmt.org.uk 01923 772325 or e-mail: info@trmt.org.uk

A NOTE FROM THE DIRECTORS OF BEMC (Byewaters Estate Management Company)

It looks like summer has started and the countryside around the estate is in full bloom. It is also good to see that so many residents are out in their gardens enjoying the fresh air. Now is a good time to tend your garden and work with your neighbours to keep private gardens tidy, weed free and cut back to stop them from over-growing adjacent properties and footpaths. Good weather always encourages cyclists, pedestrians and young children to move around the estate and so drivers should take care to drive slowly. Our AGM on 11th April provided the opportunity for residents to meet with the directors and discuss various issues including BEMC finances, road signs, road adoption, hedges and sight lines. We also discussed the extra costs incurred recently for tree maintenance, and the need to control the height and root spread of older trees and bushes on estate amenity areas and within our own gardens. At the start of the meeting members approved the accounts of the company and unanimously decided that both Ralph Bland and Peter Brew should be re-appointed as directors of the company. The minutes of the meeting are being prepared and will be sent out shortly.

If you have any questions or issues regarding estate matters – or comments about gardening and grounds maintenance – please contact MCS customer services email info@mcsproperty.com, phone 01920 466500 or write to them at their new office address - Saxon House, 6a St Andrews Street, Hertford. SG14 1JA. You can also contact us directly at directors@byewaters.co.uk www.byewaters.co.uk website

THE CROXLEY REVELS

Saturday 23rd June from 1.30 to 5.00pm

The traditional summer village fayre held annually on the afternoon of the Saturday closest to the summer solstice. The first "modern day Revels" was held in 1920. The Croxley Green Society was inaugurated in 1938 and was formed for the celebration of King George VI's Jubilee. There are usually between 65 and 90 stalls, an arena that stages all manner of entertainment and activities from judo exhibitions to Morris dancers; the school's Pushball tournament to Maypole dancing, children's funfair; storytelling, roving jazz band; classic vehicles and bicycles. All the fun of the fair!

'The Revels is the embodiment of the community of Croxley Green and is one of the prime factors that give the village its unique identity.' For more information <https://croxleyrevels.co.uk>

WATFORD FC

So here we are, last day of the season and what a last quarter of the season the Hornets have had. We got wins against Everton and West Brom early March and then things took a bit of a downhill direction. A visit to the Arsenal and we lost 3-0. Then up to Liverpool where we had a close run game and Liverpool only just edged it by 5 goals to nil. Down to the south coast where we visited AFC Bournemouth and it resulted in a 2-2 draw which is going the right way. Next Watford welcomed back Sean Dyche and Burnley who were having a good season and heading for a European football place. Unfortunately Burnley took the three points in a 2-1 win. Good luck Sean on the adventure, we 'Orns have been there, done it and worn the T-shirt. Watford then headed up north to Huddersfield where they had a "Terrier-able" game (couldn't

resist that one) and lost 1-0. Back at the Vic and we entertained Palace. The Hornet fans singing their hearts out to be the 12th man but the other 11 men just worked on a draw of 0-0. Glad it's all over Almost. (Puns etc probably getting in to the bit deep territory now) Away to Spurs and another defeat for the 'Orns and 2-0 but at least they are assured another season in the Premier League with the last game at Old Trafford. However, due to a Rashford goal and the only goal of the game meant the Hornets lost 1-0. In the end, Watford finished 14th in the table which is an improvement from last season. Well that's it, all over for another season and it's back in August. What will happen in that closed period? Who knows? Players coming and going, new manager, work to the ground? We just have to wait and see. Have a good summer all and enjoy the World Cup. Wonder if we will see Will Hughes there

NEWS FROM ST OSWALDS

Café "O" -

The Place to Start the Week

On Monday mornings the rear of St. Oswald's Church is transformed into our very own café serving great coffee and other drinks, along with delicious homemade cake and various other snacks. Café "O" has been running now for over ten years and has proved a great success with parents who drop off their children at nearby Malvern Way School. The café

is also popular with older members of the community who tend to come later in the morning when things are a little quieter. It's open from 8.45 till 12.30 every Monday morning except for Bank Holidays. Why not give it a try? You may well become one of our "regulars"! How to protect a Mobile Device

Mobile devices attract thieves. Keep them concealed when possible and don't leave them unattended. Also, record the IMEI number and install a tracking app. Put a PIN on your device - it's the first line of defence against unauthorised use if lost, stolen, or falling into little hands. It's fast and easy to do. Losing precious photos or contact details can be devastating. Ensure everything on your device is backed up online. Download a reputable security app and keep it updated, to avoid malware like spyware. Don't store passwords or other confidential information in notes or documents on your device. Lose it, and your information may no longer be private. Don't use Wi-Fi in public places, they may be insecure. Use only app sources like Google Play, App Store or Microsoft Store. Never download apps from random sites. The internet fascinates children, but they need protection against unsuitable content. Use filters and parental apps, and work with your children to foster safe use of the internet, social media and texting. Many online games let you (children) run up bills for in-app purchases, so take care. Choose options requiring a password for purchases. If children are playing games, ensure they're age-appropriate, and monitor who they communicate with. See our printable online safety factsheet visit

FOULING – Byewaters is covered by a PSPO!

Unfortunately 10 years on from our first newsletter some people still have not got the message regarding fouling!! It has been brought to my attention that Byewaters has been included in the PSPO for Three Rivers Council. PSPO is a Public Spaces Protection Order and the full order can be viewed on <http://www.threerivers.gov.uk/service/public-space-protection-order-pspo>

Basically this means that owners not removing their dog's faeces on Byewaters can be fined £75 (max fine of £1000). You can report anyone seen not removing dog faeces to Three Rivers Council or contact FixMyStreet <https://www.fixmystreet.com> and they will send a report to Three Rivers. FixMyStreet does cover other matters as well such as dumped items, clearing graffiti, potholes etc. and of course dog fouling. They send your report to the people whose job it is to fix it. There is an app for iOS and an Android app, Nokia Ovi app. If your phone isn't supported try accessing FixMyStreet via your mobile browser. **This can help in the fight to stop children getting Toxocariasis from dog faeces. Biodegradable bags are FREE** from the Parish Council Offices and some libraries. Always think of others and use bags to pick up after your pet and then BIN it preferably in a **RED** waste bin.

LOCAL SERVICES

Our trades list and local information on our web page (www.byewatersnews.co.uk) has grown to five pages. Click on a newsletter and scroll to the end. It was suggested that details of tradesmen, used by homeowners on Byewaters, be listed. Send me details of someone, or a local service you found useful, it may help others when trying to find the right local service.
